This page includes links for the ITRC PFAS fact sheets, each last updated at various dates. The fact sheets are available as PDF files. The references and acronyms used in these Fact Sheets are maintained in the PFAS-1 Guidance Document.

- Vapor-forming Per- and Polyfluoroalkyl Substances and the Vapor Intrusion Pathway (Updated December 2025)
- Regulations (Updated September 2023)
    - PFAS Environmental Media Values Table Excel file (Updated December 2025)
        - As of the September/October 2024 update, the PFAS Water and Soil Values tables includes the PFAS Air Criteria and has undergone cosmetic updates intended to make the table more user-friendly. The table is now titled the "PFAS Environmental Media Values tables" and the cosmetic updates include re-ordering individual PFAS by group (PFCAs, PFSAs and Other), as well as color-coding of groups of columns by topic, (e.g., location, criteria description, PFAS group, etc).
- Naming Conventions (Updated September 2023)
- History and Use (Updated September 2023)
- Fate and Transport and Physical and Chemical Properties (Updated September 2023)
    - Physical and Chemical Properties Table 4-1 for select PFAS Excel file (Updated July 2023)
- Sampling Precautions and Laboratory Analytical Methods (Updated September 2023)
- Site Characterization and Media-Specific Occurrence (Updated September 2023)
- Treatment Technologies and Methods (Updated September 2023)
- Aqueous Film-Forming Foam (Updated September 2023)
- Human and Ecological Health Effects and Risk Assessment (Updated September 2023)
- Risk Communication (Updated September 2023)
- Stakeholder Perspectives (Updated September 2023)
- Surface Water Quality (Updated September 2023)
- Biosolids and Per- and Polyfluoroalkyl Substances (Updated September 2023)
